VANISH

UPGRADED FOILS

MICRO-THIN GOLD FOILS

The 5 Star Vanish shaver delivers client-winning shaves and fades with micro-thin foils that allow for a razor-close shave without irritation or bumps.

CUTTING BARS WITH SUSPENSION

An innovative suspension system allows the cutting bars to move independently, hugging every neck and facial contour to make every last hair disappear.

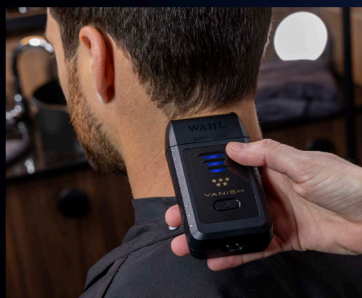

INDEPENDENT POP-OUT FOILS

The 5 Star Vanish shaver features new independent pop-out foil bars. Save time and money in maintenance by replacing single foils instead of full shaver heads.

KEY FEATURES

POWER THROUGH THE DAY

With a 100+ run time on a single charge, the 5 Star Vanish - powered by a premium lithium-ion battery. Will get most barbers through a typical day without a recharge.

VISIBLE FUEL GAUGE

Nothing ruins workflow more than unknown charge level. We equipped the 5 Star Vanish with a big, brilliant, easy-read fuel gauge right on the front, so you can focus on the finish.

WORRY-FREE TRAVEL MODE

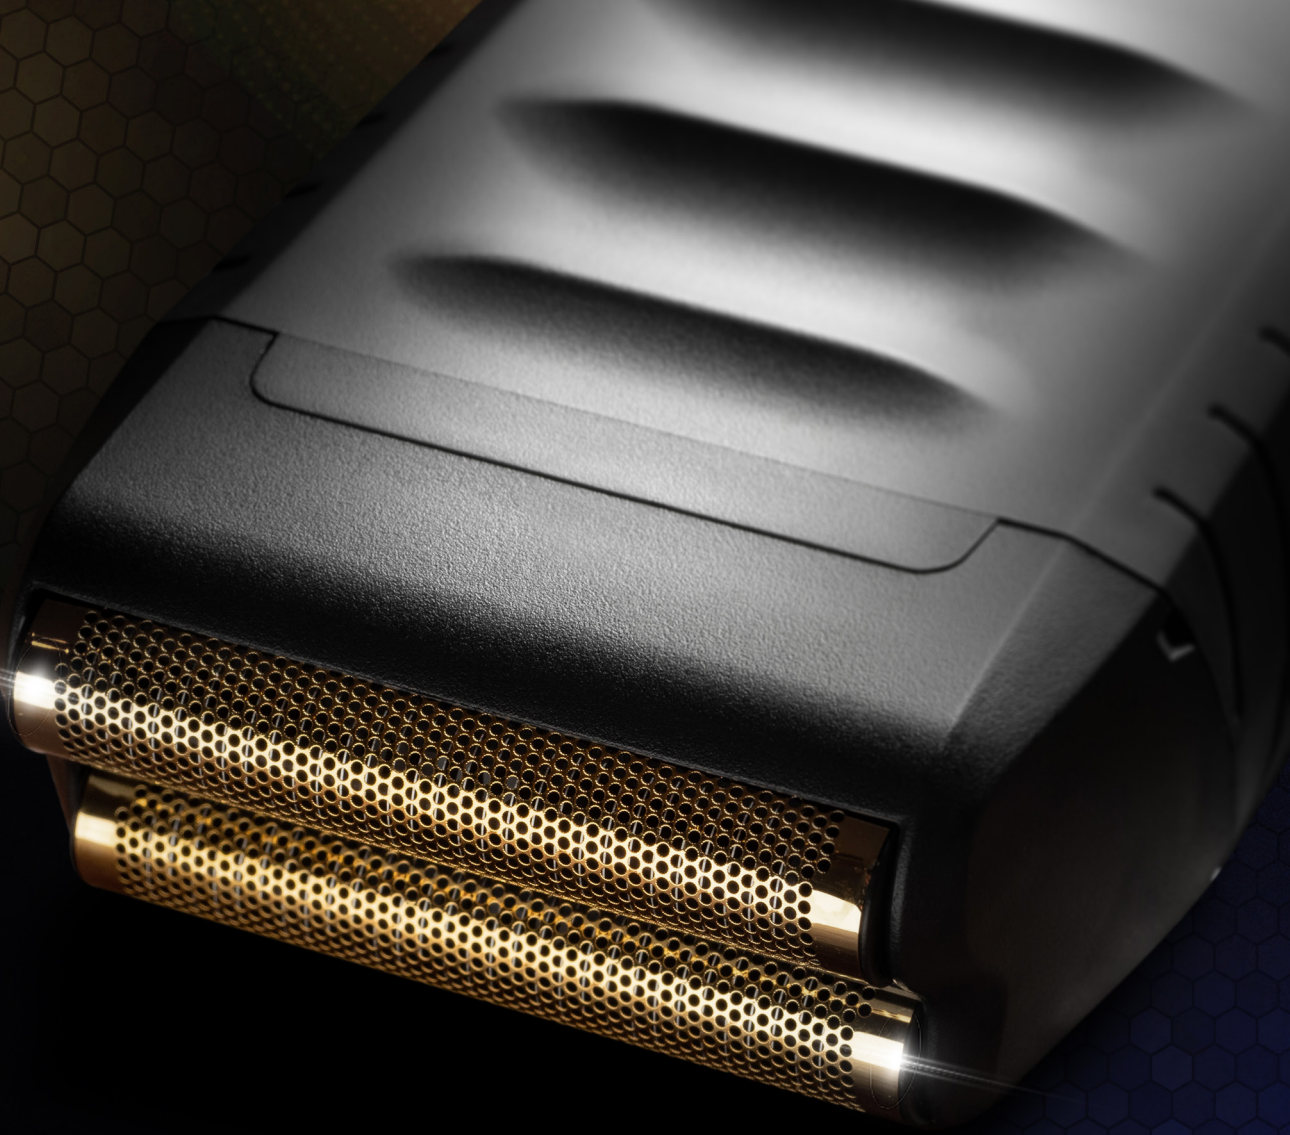

For pros on the go, our Travel Lock option keeps the 5 Star Vanish from accidentally turning on and draining power. Hopping a plane? No problem. The battery complies with all travel regulations.

DESIGNED FOR COMFORT

Ergonomically designed for all-day use, the 5 Star Vanish also features finger grips to help keep you in full control through the final details.
